Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Aliya Franecki)

AMERICAN MAGNA CARTA

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, American Magna Carta, Robert Hamblett, A novel for our times, American Magna Carta holds to account the 0.1% of the 1% who act with total impunity above the law. When a fifth original Magna Carta is discovered, a cabal of bent academics, investment bankers and elements in the surveillance state conspire to possess the founding document of western democracy. Leaving a trail of destruction they are prepared to break every law in the book so they can bask in the glow of the 800-year-old Great Charter of Liberties that, ironically, embodies the notion that no one is above the Law. Standing in their way are Ricky Taleb, a Harvard Law student, Alison Sinclair, an intern from London, and Harry James, a new kind of action hero - a veteran of the Occupy Movement. Set against a backdrop of iconic landscapes from Glastonbury to London and from Boston to New York, the deft plot gathers pace towards a dramatic showdown at the very heart of global power. American Magna Carta is favourably comparable to Dan Brown's The Da Vinci Code and Alan Moore's graphic novel V for Vendetta.
