THE HOUSING PROBLEM IN TEXAS: A STUDY OF PHYSICAL CONDITIONS UNDER WHICH THE OTHER HALF LIVES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Housing Problem in Texas: A Study of Physical Conditions Under Which the Other Half Lives This pamphlet is issued by the publishers of The News to supply a demand for copies of a series of articles written by George Waverley Briggs, a member of The News staff, dealing with housing systems that prevail in the leading cities of Texas, to note their deficiencies and advantages, and to suggest means of correcting present evils and preventing future complications. The series was originally published in The Galveston-Dallas News November 19-December 17. Pointing his index finger into the attentive faces of a mass meeting of Dallas men last Sunday, Dr. Charles Stelzle of New York fervently exclaimed: I insist that you give the workingman a square deal! Unquestionably the doctrine of the square deal is the secular creed of the American people. Founded upon the principle of equal rights to all, special privileges to none, the Nation has unbarred its doors to the world s downtrodden and oppressed, with the invitation: Come and find refuge here. In the American heart the milk of human kindness is not congealed. Sympathy for the poor and the lowly is an emotion universally latent and quickly stirred under impulse, though it has not borne in its practical, helpful expression the fruits of constancy. The workingman does not desire pity. His American independence revolts at paternalism. What he wants is co-operation. All he asks is a chance to win his way by his own thrift and industry - a chance which, when given him, becomes the embodiment of the square deal, the practical and most commendable expression of that sympathy which is...
