Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This essay contains the substance of a communication made to the members of the Royal Institution at one of their Friday evening meetings. It possesses the same claims to the attention of the general reader, in the truthfulness, simplicity, and at the same time the comprehensiveness of its views; although the intelligent medical reader may probably not find anything in it, with which he is not already familiar. Mr. Barlow s object is to prove that, in a large proportion of cases, insanity may be traced to the faulty indulgence of some propensity or feeling, which the due exercise of self-control would have restrained; and he justly appeals, in support of this position, to the valuable effects resulting from the application of this principle to the treatment of insanity-the best restraint under which lunatics can be kept being that of their own self-control, if motives can be found of sufficient strength to cause them to exert it. The views entertained, and the principles elucidated in this little work, have indeed a wide and important range. They call the attention to that greatest of all sciences which teaches us to govern and to strengthen the highest of our faculties for the most valuable ends, and to make the intellect the great auxiliary of virtue. It is gratifying to find an accomplished clergyman addressing a highly-cultivated audience on these topics; worthy of those addressed, however distinguished in philosophy, -and worthy of a divine, who should know how to address himself to minds of the highest as well as of the humblest attainments. From the pages of Mr. Barlow s essay powerful arguments may be gathered for the...
