Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You already know building a school for the 21st Century is a daunting project which requires the successful collaboration of many stakeholders. The hardest part is developing an effective process to deal with the competing priorities of running a district and that s where we come in. We help superintendents just like you create a 21st Century process road map which will lead to a successful outcome for the district. Here are three steps to start your success. Step 1: Visit the Iowa Association of School Boards, IASB, website: // and access the Iowa Construction Advocacy Team (ICAT) program or contact Step 2: We will schedule a visit to learn about what you want to accomplish. Step 3: Develop an approach or process that fits your district. Most superintendents think they have to manage the school building process on their own and that s just not the case in this 21st Century world. Now you can get your 21st Century School built and leave the legacy for your district you have always wanted. If you d like us...
