Reviews

*Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Verse and Prose for Beginners in Reading, Vol. 1 of 2: Selected From English and American Literature The attentive reader of this little book will be apt to notice very soon that though its title is Verse and Prose for Beginners in Reading, the verse occupies nine tenths, the prose being confined to about two hundred proverbs and familiar sayings - some of them, indeed, in rhyme - scattered in groups throughout the book. The reason for this will be apparent as soon as one considers the end in view in the preparation of this compilation. The Riverside Primer and Reader, as stated in its Introduction, is designed to serve as the sole text-book in reading required by a pupil. When he has mastered it he is ready to make the acquaintance of the world's literature in the English tongue. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
