St. Martin's Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "When a group of thirty-something parents gather at a ramshackle beach house called Eden, no serpent is required for the sins, carnal and otherwise, to pile up. Fierro, founder of Brooklyn's Sackett Street Writers' Workshop, argued in *The Millions* last year that writers need to put the steam--and the human sentiment--back into sex scenes in literary novels. You may want to keep Fierro's debut novel on a high shelf, away from children and prudish literary snobs."-- *The Millions* "Entertaining, wise, heart-breaking at times, *Cutting Teeth* is an outstanding debut. Julia Fierro's particular genius is her ability to understand and render the vagaries of the human heart."--Therese Anne Fowler, author of *Z: A Novel of Zelda Fitzgerald* "Timely and observant, Julia Fierro's writing feels like real life. She captures the anxiety of our times with the authority, insight and humor of lived experience."--Karen Thompson Walker, author of *The Age of Miracles* "Immediately satisfying and emotionally astute. Fierro's writing is clear and precise, and in her hands, this ambitious project, told through different voices, reads as smoothly as a peanut butter sandwich with the crusts cut off."--Emma Straub, author of *Laura Lamont's Life in Pictures* "Julia Fierro's *Cutting Teeth* offers immense rewards to readers far beyond those who will identify with the frantic, conflicted, yearning parents who fill the novel (though many will). It's for any reader seeking a tale rich in character, strong in voice and filled with both incisive social critique and a luminous generosity of spirit, a rare combination indeed."--Megan Abbott, author of *Dare Me* and *The End of Everything* "One of the most compelling and trenchant novels I've read in years. A fearless and unrelenting portrait of urban parenting its nuanced complexities,...
