Brand New Book ***** Print on Demand *****.The Castle Four friends on a touring holiday of vampire country in Eastern Europe find their vacation turns into a nightmare when they head down a road that is not on the map. The village they find themselves in looks to be idyllic, but why do so many residents have lopsided faces? And why is everyone so sad? And why are mists so prevalent? And who lives in the mysterious castle on the hill? Gradually, the four friends uncover the village s secret, and figure out the fate that lies in store. Gradually, however, it becomes clear that the object is stranger than anyone can imagine, and for the few people living in the valley, and for the tourists visiting it, heaven turns slowly into hell. The Weather Station When four friends arrive on a remote Scottish island, they think they have found the holiday destination of their dreams.
