

Trigun Maximum: Volume 8: Silent Ruin

Filesize: 9.22 MB

Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Enrique Labadie)

Dark Horse Comics,U.S. Paperback. Book Condition: new. BRAND NEW, Trigun Maximum: Volume 8: Silent Ruin, Yasuhiro Nightow, Okay, now this is just getting scary. Knives has imprisoned Vash, and now he's going around gathering plants. By plants, I don't mean green things growing out of the ground, but instead those angelic, humanoid, power plant beings that make it possible for humans to live on the planet Gunsmoke. Vash and Knives are themselves a form of plant, and have the same power, but what will knives do with this huge power supply? Meanwhile, things are looking pretty tough for Wolfwood. And speaking of Nick, this volume contains a special spin-off chapter based on our favorite preacher slash gunslinger. Learn a little more about the man in the suit with the confessional helmet!.
