SEA CHANGE

DOWNLOAD

Scholastic US. Paperback. Book Condition: new. BRAND NEW, Sea Change, Aimee Friedman, Sixteen-year-old Miranda Merchant is great at science. . .and not so great with boys. After major drama with her boyfriend and (now ex) best friend, she's happy to spend the summer on small, mysterious Selkie Island, helping her mother sort out her late grandmother's estate. There, Miranda finds new friends and an island with a mysterious, mystical history, presenting her with facts her logical, scientific mind can't make sense of. She also meets Leo, who challenges everything she thought she knew about boys, friendship. . .and reality. Is Leo hiding something? Or is he something that she never could have imagined? Praise for Sea Change: "An evocative setting, an air of mystery and some intriguing love interests for Miranda, a 16-year-old budding scientist, will make Friedman's novel irresistible to romance fans.Movingly and convincingly drawn." - Publishers Weekly "Miranda is likable and interesting, and she possesses a self-awareness and confidence that is coupled with an insecurity that makes her real and easy for readers to connect with themselves. . .A good choice to pass to readers who devour supernatural romances but are ready to move on from vampires and fairies." - VOYA.
