Blood on the River: James Town, 1607

By Elisa Carbone

Penguin Putnam Inc. Paperback / softback. Book Condition: new. BRAND NEW, Blood on the River: James Town, 1607, Elisa Carbone, Twelve-year-old Samuel Collier is a lowly commoner on the streets of London. So when he becomes the page of Captain John Smith and boards the Susan Constant, bound for the New World, he cannot believe his good fortune. He has heard that gold washes ashore with every tide. But beginning with the stormy journey and his first contact with the native people, he realizes that the New World is nothing like he imagined. The lush Virginia shore where they establish the colony of James Town is both beautiful and forbidding, and it is hard to know who is a friend or foe. As he learns the language of the Algonquian Indians and observes Captain Smith's wise diplomacy, Samuel begins to see that he can be whatever he wants to be in this new land.
