Thomas Dunne Books, United States, 2012. Hardback. Book Condition: New. 211 x 147 mm. Language: English . Brand New Book. A cowboy governor finds himself the accidental leader of Texas s right-wing revolution in this irreverent, entertaining debut novel.Written with the comedic mastery of Christopher Buckley, Don t Mess with Travis tells the story of Ben Travis, a no-name Texas senator who becomes governor after a late-night accident takes the lives of the men ahead of him in the chain of command.Before the paint has even dried on his parking spot, the recently divorced Travis uncovers the latest Washington power grab and decides there s only one solution: secession. The stunt pits Travis (and Texas) against the president, a golf-obsessed, progressive egomaniac with spotty leadership skills. The liberal elites are behind the president, and they will try every dirty trick to derail the new governor and hold on to the most prosperous state in the Union. Despite the doomsday threats from D.C., Travis forges ahead in a thrilling and hysterical quest to fight big-government tyranny and restore sanity to the nation.Can Travis avoid a second Civil War without bending his knee to Washington? Will his own daughter and ex-wife come to his aid or sell him out? Most important, can they get all this settled before the beginning of high school football season?In the tradition of Advise and Consent and Primary Colors, Don t Mess with Travis brilliantly lampoons all that s wrong with present-day politics while waving the flag behind everything that s right.
