How to Choose Dress Colors for Love and Success: The Caans System

By Jim Andersen

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. A new method is described in this booklet that assists a person in choosing the most effective dress colors based on bits of information such as their date of birth and name. With help of easy to read tables included in this booklet, any person can determine such colors in minutes despite the fact that a choice is made from thousands of colors and personality types. The method is equally applicable to males and females. Color is individual and influential. Those who have discovered their personal colors look more interesting, more confident and more attractive. There is undoubtedly much that still remains beyond reach of scientific understanding. For example, in the area of clothing colors, many have realized that during work hours professional executives appear and behave far more efficiently in a white shirt and navy blue jacket rather than in a dark shirt or brown jacket and ladies in scarlet are far more vibrant than others in dull gray. In the present system named as CAANS, fundamental knowledge of influence of color on human behavior has been...
