Yogi Impressions Books Pvt. Ltd., Mumbai, India, 2015. Softcover. Book Condition: New. First Edition. A fun-loving child, Jyotii is a bright spark who absorbs deliberations on the Bhagavad Gita, recites mantras in Sanskrit, and performs yoga asanas with ease. Growing into a restless young woman, she tries her hand at just about everything from Crystals to Reiki to Magnified Healing to dancing around sacred fires in Shamanic rites. She`s been there, done that. But, little does she know that a guided meditation technique which she is about to practice at a seminar, will show her a vision of the master who will propel her on a fast-track evolutionary path. Initiated into Kriya Yoga by Gurunath, a disciple blessed by Mahavatar Shiv Gorakshanath Babaji, her spiritual awakening occurs in flashes of revelations about her past lives in various cultures, across several centuries. She sees how she has remained connected to her present husband in all these lives as a mother, a cousin, a friend. She is nurtured and gains strength from the radiant energy of an old tree; ancient masters and yogis appear to her by a lakeside, and her daily existence is filled with paranormal experiences. Jyotii evolves not only as a spiritual seeker and a teacher of Hamsa Yoga but also as a more balanced human being who is able to meet, and help others meet, every adversity with courage, equanimity and grace. Along this roller-coaster ride that takes you through the cosmos, giving you glimpses of several realms of existence, one link remains intact and steadfast the link that binds the true guru and the true disciple. Printed Pages: 188.
