The Musical Milkman Murder

By Quentin Falk

John Blake Publishing Ltd. Paperback. Book Condition: new. In the immediate aftermath of the Great War, Little Marlow was thrown into a state of great excitement by the discovery of the body of a young married woman named Kate Lilian Bailey. The scene of the tragedy was Barn Cottage, a pretty countryside residence; the weapon of choice was poison, and the man accused of the murder was local milkman, George Bailey - Kate's husband. Who was George Arthur Bailey? What drove this seemingly harmless milkman to murder his wife? Who, or what, sealed his fate? Almost a century later, through exhaustive research, author Quentin Falk brings to light the extraordinary and colourful facts of this strangely under-reported crime to reveal not just one astonishing story, but an intriguing crime and compelling weave of several stories.
