## ON THE EIGHTH TIN

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, On the Eighth Tin, Adrian A. Cory, The ability of the human race to withstand the impact of climate change is reaching breaking point and increasingly unpredictable weather systems bring death and destruction on a global scale. As the elements wreak havoc, a young British student, Paul, is fighting his own battle. One day in the depths of December, Paul purchases eight tins of unknown origin that spark a sequence of change. Powerless to resist and unable to determine his fate, Paul is driven by an ancient force to endure a fantastic metamorphosis that must serve some purpose. But the clock is ticking?+? In the shadows, a subtle game is being played out between the United Nations, INTERPOL and a trillion-dollar-funded bioethics industry that'll stop at nothing to ensure Paul's incredible transformation. And all the time, the wind, rain and heat just keep coming?+?.
