Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Terry, a monster tamer famous for being wise, eccentric, and more than a little bouncy, gets a newly tamed and trained werewolf named Timothy to take up the role of superhero in the town of Starlight. Through their first few adventures, Timothy learns to use some taming magic of his own, and overall starts to become more mature, perhaps even more than he otherwise would have been. However, some crazier things await them, like monster slayers patrolling the town, and a mysterious sorcerer of evil nonsense magic who organizes events such as pushing monster tamers out of high story office windows, and fake religious rituals that secretly draw still corrupted monsters from other towns. Also, crazy phone calls can be dangerous. But through it all, Terry trains Timothy with the knowledge taught by the Monster Protection Agency Academy, and together, they will devise a plan to make the world a more harmonious place. But will Timothy ever find out that his sister is actually a super vampire when he initially assumed her to be a werewolf upon joining the team? Either way, zany adventures await!.
