Brand New Book ***** Print on Demand *****.Excerpt from Complete Instruction in Rearing Silkworms: Also How to Build and Furnish Cocooneries, How to Plant, Prune, and Care, for Mulberry Trees Together With Much Valuable Information as to the Silk, Industry in General In sending out this little volume to the American public, I do so with the earnest hope of calling attention to this very important branch of industry. Close study and observation on practical lines for more than ten years gives me confidence to assert that no one factor in the industrial interests of our nation is of greater importance than is the production of silk, and yet there is none so little understood, and hence so lightly valued. The wealth of every nation lies in its developed resources. We might build castles of stone upon mountains of gold, but the gold, though of greater intrinsic value, would be no better than (if as good) the stone employed in the superstructure of the building. Wealth, in order to be helpful, either to the individual or the nation, must be developed; otherwise it will forever remain like the talent folded away in the napkin.
