## THE SCIENCE OF CRIME SCENES (HARDBACK)

Elsevier Science Publishing Co Inc, United States, 2012. Hardback. Book Condition: New. 246 x 190 mm. Language: English . Brand New Book. The recent National Research Council s report on forensic science calls for more fundamental education and training in the science behind the discipline. Nowhere is this need greater than in crime scene investigations. Long seen as merely bagging and tagging, crime scene investigation and processing is now a complex process, involving numerous sciences and methods. The Science of...
