Brand New Book ***** Print on Demand *****.Some of you are endowed with faith and some beset with doubt. Of those endowed with faith based upon spiritual knowledge, there is not one whose faith is not weakened a little by trifling doubts. Of those beset with the darkest of doubts, there is not one whose doubt is not enlightened a little by a touch of faith. When I state that ideals come true none of you deny it or think of denying it. But, when I assure you that every ideal always comes true and that every one of your own particular ideals can be changed to a material reality, my statement contrasts so astoundingly with your past experiences of having tried faithfully to attain that which you desire, that some of you feel it can not be true, -some of you may doubt even my common sense in making such an assertion. You who doubt that every ideal comes true, doubt sincerely, -doubt because of common sense judgments based upon your present knowledge. No matter what the cause, doubt interferes with your realization of your ideals: it dampens the fire of desire and lessens your effort to attain that which you wish because you think the effort is useless. I do not wish you to accept any statement; I wish you to know truth!.
