## The Secrets of Midwives (Main market ed.)

By Sally Hepworth

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, The Secrets of Midwives (Main market ed.), Sally Hepworth, What if those you cherish harboured a secret that could break you? Neva Bradley, a young midwife, has just learned that she is expecting. She's been present at the magical stages of many women's lives but she is determined to keep the details surrounding her own pregnancy hidden. And the weight of Neva's secret is beginning to bear down on everyone around her. Neva's mother Grace finds it impossible to let the subject rest. But the more Grace presses Neva about the identity of the baby's father, the more withdrawn she becomes. For Neva's grandmother, Floss, a retired midwife, Neva's predicament eerily mirrors events from her own past. She now must decide whether she is ready to confront a memory she's managed to suppress for over fifty years. As Neva's bump grows, it becomes harder to conceal the truth. Will each of the women reveal what has been buried for so long, or are some secrets best kept hidden?.
